You will be expected to run your athletes in the proper level race...please make sure you place your athletes correctly, don't flip-flop them just to pick up a medal please... You will be asked to declare varsity or JV, but be aware there are 2 varsity races per gender, you don't need to declare which varsity race 1-4 or 5-8 just varsity or JV

***Be prepared when picking up packets at the meet as EVERY athlete will have disposable transponder bibs to check for any errors or changes...these can be picked up in the information/scoring pavilion. Any unused bibs can be returned to the information area.

*** Final instructions will be in the packets the day of the race and can be picked up at the scoring pavilion where tee-shirts and concessions are being sold.

Welcome to the **Pete Nielsen Laser Cross Country Meet!** The meet will be held Saturday, September 24, 2022 at the Naga-Waukee County Park. The park is located ½ mile north of I-94 on highway 83. Take I-94, **exit 287**, (Wales exit) and take 83 north ½ mile and turn left into the park.

- There will be an athletic trainer on site, close to the finish line. Be sure to remind your athletes to bring their inhalers, bee sting medication and insect repellent.

Please let your parents know about the Waukesha County Park Entry Fee Charge
\$25.00 per bus \$6.00 per car

These are county charges, and it is why we have kept our entry fee lower than most invites, knowing that you will have the bus expense.

Pass on the following parking payment information to parents/attendees.

Parking permit fees will not be collected when entering the park.

All vehicle license numbers will be recorded while entering and leaving the park.

How to pay - Follow the instructions on the attached document to pay online. Create an account and select and pay your fee. All payments should be made within 5 days of the event to avoid a violation.

Bus payment - You will need to record the license number of your bus and follow the instructions for payment.

If buses/cars leave the park and then re-enter, it is still just the daily fee, no doubling up to worry about.

Individuals that have a Waukesha County Seasonal Pass will not have to pay.

- Spikes are recommended. Eight runners will be allowed to run in the varsity relay races. We are running four runners from each school in each of two varsity races, 5-8 and 1-4.
- There will be one JV race per gender which will be scored in the traditional manner.
- **Note** – The number of teams is around 32 teams for each boys and girls. We have two divisions for varsity (large and small school) and one JV race/division. Division set-ups will be based on school size per the WIAA enrollment as of June 2022 information per WIAA and be split evenly based on the teams entered per gender.
- Boys and Girls Awards: (Individual Awards will be placed in envelopes and given to a coach at the scoring/information area) Give us about 15 minutes after the completion of the last race by gender prior to pick-up please.

Ind. Varsity: 1-10 medals each for 1-4 and 5-8 race
JV: 1st place medal and 2-50 ribbons for all JV races

Team Varsity: 1st and 2nd in each division-lowest time total wins from best 5 Varsity times added together
JV: 1st team in each race-lowest score (traditional scoring no divisions)

Fees: contacts were sent out through rschool and should be paid in that manner, **the fee was \$115 per gender attending**. Make checks payable to Kettle Moraine High School and if you have not already paid through rschool, please bring your payment/check with you. We would appreciate payment **PRIOR** to the meet.

Coaches, please take your own times and keep a record in case our system has a problem. We are using transponder bib timing this year.

The Kettle Moraine XC team concession stand will be on the grounds. Souvenir Dry-Fit Long Sleeves shirts for \$20. Both can be found by the information area at the park,

See you on race day!
