Track & Field Facilities:

All running and field events will be conducted on our 9-lane rubberized track. Pyramid spikes up to 1/4" are allowed. Long and triple jump (20', 24', 28', 32', 36') have takeoff boards. Flats are required for the concrete surfaces at the shot and discus.

Restrooms are located near the concession stand at both the north and south end of the track. In case of severe weather, please meet with your team in the commons (Enter the school through Door 16).

Concession stands will be open, hosted by the Sun Prairie East Cross Country Booster Club.

Team areas and tents can be set in the soccer practice fields located just outside the fenced track area. Please keep your athletes out of the stands and have your athletes clean up their area at the conclusion of the meet. Team areas **SHOULD NOT** be set up near the baseball or softball fields and/or bleachers.

Running Events:

Clerk of Course and hip numbers will be located at the Southeast corner of the track (near the start of the 100m dash). All running events are a timed final, there are no trials in the sprinting events. We plan on having two clerks, so we can hopefully have one organize athletes at the start of each event.

Field Events: 15 minute event check out

Long jump, triple jump, shot put, and discus athletes will have three attempts with NO FINALS.

Long and triple jump will have a 75 minute open pit. There will be a 30 minute warm-up period between boys and girls competitions. Athletes who miss the open pit time will not be allowed to jump later.

Shot put and discus will be conducted in flights. There will be a 10 minute warm-up period between flights. We will most likely be running two shot put circles and two discus circles. We may use cones to mark distances so we only need to measure the furthest distance.

Boys and girls pole vaulters will be competing at the same time on two separate pits. Both pits are in the same D-pad area (adjacent to each other).

Opening heights and sequence will be:

High Jump:

Boys 4' 6" - 4' 8" - 4' 10"

Girls 3' 6" - 3' 8" - 3' 10"

Pole Vault:

Boys: 7' 0" - 7' 6" - 8' 0" - 8' 6"

Girls: 6' 0" - 6' 6" - 7' 0" - 7' 6"

Scoring:

This meet will be unscored.

Admission & Parking:

Parking lots are located to the North and South of the high school. Parking outside of marked parking stalls may result in vehicles being ticketed and towed. Buses can drop off at the track, but should park in the faculty lot to the South of the high school. *See attached map for parking locations.t.*

Track Infield:

Athletes need to stay out of the infield and away from the high jump and pole vault areas. Only athletes competing and their coaches should be inside the track.
