Reminders

Please email Pole Vault verification to bgraun@colby.k12.wi.us by 10:00 am the day of the meet.

Restricted Area

The football field is a restricted area. This is especially the case behind the start/finish line. Unless you are meeting with the trainer you should not be behind the start/finish line. Coaches can cross the field but should not be gathering with their athletes inside the track. Only high jumpers and high jump coaches should be in the high jump area. We will have wrist bands for each jumper and 1 high jump coach for access to this area. Everyone else must be outside the track. Only competing athletes should be inside the fence/flagged areas of field events. Again, NO ONE is allowed behind the timing area inside the track. We do not want to disqualify competing athletes because someone is in a restricted area. When checking in athletes will have to walk through the bleachers, behind the bleachers or on the back side of the track. Again, athletes will not be allowed on the football field.

Coaches, please make sure your assistants and athletes know these expectations.

Clerk Of Course will be located at the northwest side of the track.

Set up camp south of the concessions building next to the fence—away from the track.
