Please be sure to fill all your events online. Please print a copy of your entries in case there are any discrepancies. There will be no additions on the day of the meet.

Please note that the starting time for this year's meet is 4:00.

Other items of interest for the meet this year:

1. We will be using an automated timing system again this season; runners will wear their hip number on their left hip.

- 2.

Entries must be completed at: [???](#) .

To find your event, hover over *Schedule* and click on *All Upcoming Events*. If your event is not listed, please contact info@pttiming.com.

- Online entries must be completed 2 days prior to the event at NOON (Sunday May 10th) —to avoid confusion, the deadline is set at 11:59 am CST.
- Meet entries open 1 week and 2 days prior to the deadline at noon.
- If a coach misses the deadline, the coach should email info@pttiming.com to reopen the meet. The host school and/or violating school may incur a \$50 Late Entry Fee—PT Timing will make that decision, depending on the situation.

We have a resurfaced seal-flex surface on the track and long, triple and high jump runways. Spike length for all areas will be 1/4 inch or less. All longer spikes will result in disqualification from that event. Concessions will be sold at the meet. Hopefully, your season is progressing smoothly, and the weather will cooperate. See you then, and best of luck.

Sincerely

Jessa Von Haden and Collin Eswein
